

MICHAL TOBOREK
PROFESSOR AND VICE CHAIR FOR RESEARCH

UNIVERSITY OF MIAMI
MILLER SCHOOL
of **MEDICINE**

Department of Biochemistry and Molecular Biology ♦ R. Bunn Gautier Bldg., Room 517 ♦ 1011 NW 15th Street
Miller School of Medicine ♦ University of Miami ♦ Miami, FL 33136 ♦ (305) 243-0230 ♦ mtoborek@med.miami.edu

Postdoctoral positions are currently available in Dr. Toborek's laboratory at the **University of Miami Miller School of Medicine, Department of Biochemistry and Molecular Biology, Miami, Florida**. The main focus of our research is on neurovirology, molecular and cellular mechanisms of injury to the brain endothelium, and the blood-brain barrier. The work involves both cell culture research and animal experiments. The ideal candidate for this position will be a recent doctoral graduate, who is highly motivated and has expertise in neuroscience, neurovirology, virology, molecular biology, cellular techniques, and/or animal experimentation. We offer excellent working conditions and training opportunities. If interested, please contact Dr. Toborek at [<mtoborek@med.miami.edu>](mailto:mtoborek@med.miami.edu).
